

A Poster Contest for children will be organized as part of the National Space Challenge Prime Minister's Trophy 2017 (NSC2017) program which is organized annually by the National Planetarium, the Ministry of Science, Technology and Innovation (MOSTI). This Poster Contest will give children an opportunity to delve into the depth of their imagination, exercise their creativity and showcase their ideas in the art form. The contest aims at enhance children's interest in and awareness of space science and technology, and to encourage children to expand their imagination about the universe.

Theme: *"United Through Space"*

This Poster Contest encourages children to explore their creativity, expand their imaginations and express friendship by means of cooperating with all groups regardless of border in the point of view of space.

DRAWING / PAINTING RULES:

- This contest is open to all **Primary** school pupils and **Secondary** school students in Malaysia.
- All participants must be Malaysian citizens residing in Malaysia.
